

Professional DJ Services

At Elegant Occasions Catering & Event Planning we pride ourselves in not only making your event a day to remember, ensuring that you and all your guests have the time of their lives. Our professional disc jockeys will help make that happen. They will play everything from Big Band to Top 40's and everything in between. They come to your event professionally dressed ready to make your event a day to remember for a life time.

All of our disc jockeys have state-of-the-art commercial equipment, Cordless microphones, and libraries of over 10,000 different artists of computerized digital music to ensure the success of every event.
